If you're looking for a flexible and low-commitment opportunity to do volunteer work and meet awesome people, consider volunteering with Grace English School!

Based in Guatemala, this opportunity allows Rotaractors to connect electronically (facetime, skype or google hangout) with Grace English students. As a volunteer, your only duty is to hold a conversation with English learners of varying ages and help them practice their conversation skills. If you're interested or would like to learn more, fill out the interest poll provided in the newsletter. Questions?
