LEAVING A LEGACY THROUGH ANN ARBOR ROTARY FOUNDATION

Estate planning and philanthropy can be partners in charitable giving. Your desire to continue to benefit your favorite charitable organization can be a vital part of your estate plan, with charitable gifts included as part of that estate planning.

The Ann Arbor Rotary Foundation will work together with your attorney and CPA to determine the amount that makes sense for you to contribute to the Foundation based on your personal income and estate tax situation, as well as your charitable goals.

With your support, the Ann Arbor Rotary Foundation will continue to help our community be a better place in which to live and work. The entire Ann Arbor community and beyond will prosper from your generosity.
